Adjourn-2:30

We will break for lunch at 12:00 for 30 minutes. Please bring something with you as we will not be leaving to eat elsewhere due to time constraints.

We will adjourn at approximately 2:30 pm to allow the County folks adequate time to catch the 2:50 pm Ferry.

The above topics were submitted to me by Lauren Behm. If individual

Board members have other topics we will cover those under "Other", time permitting.

The meeting will be called to order with the formalities being conducted then it will be turned over to Lauren to cover the topics she has submitted. Lauren may change the order of topics at her discretion. Discussion or questions will be by Board Members first then opened up to the Public. There may be time limits on discussion.
