Trevor offered equipment to help make that happen.
  
- **AICAB and Ferry Committee Meetings**  
It was moved, seconded, and approved that all future meetings will be both AICAB and Ferry Committee meetings, rather than having them scheduled separately as either a Ferry Committee meeting or an AICAB meeting.
  
- **Minutes Posted at the Store**  
Ellen Cool volunteered to be a backup person to post the meeting minutes at the store.
  
- **Masks on the Ferry**  
Trevor said that the county would issue rules for masks on the transit system.
  
- **“Dead Battery on the Ferry” Issue**  
Trevor was asked about the issue of dead batteries on the ferry. The plan is to publish a county policy so that the battery jump can be done. The goal is to handle this before peak season. If a battery jump doesn't work—only a tow truck company can be used.

Meeting was adjourned at 6:05pm.
